Notice About Continuing Professional Education

In the midst of CPE course cancellations and changes in delivery method, please note that the Alabama Board has been proactive in moving to more fluid formats of CPE that will make completion of your CPE hours during this trying situation much easier. The CPE Rules were changed effective **October 1, 2019** to remove the cap on self-study hours, allowing all 40 of your CPE hours to be completed by self-study if you so choose. Please review the summary of CPE Rule changes as you plan out the remainder of your CPE courses for this fiscal year.

While the Board's physical office location remains closed, all operations are continuing outside of the office and we are committed to responding by email any questions you might have.
