If you have previously indicated that your firm wants to opt in or out of FSBA and now want to change your selection, you may choose to opt in or out of FSBA by performing the following steps:

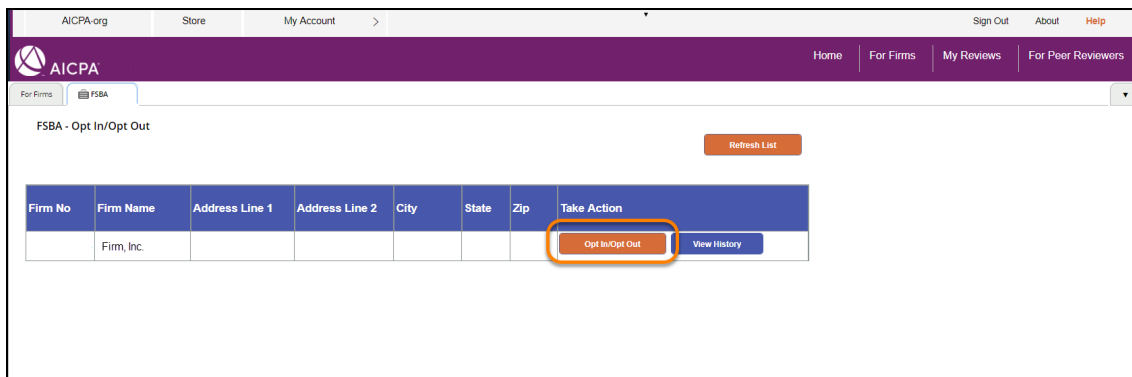

1. Click **For Firms**.

The screenshot shows the AICPA website interface. At the top, there is a navigation bar with links for 'AICPA.org', 'Store', 'My Account', 'Sign Out', 'About', and 'Help'. Below this, a secondary navigation bar includes 'Home', 'For Firms' (highlighted with a red circle), 'My Reviews', and 'For Peer Reviewers'. The main content area is divided into several sections: 'Announcements' with a 'Read All' link, 'Instructions' with a list of items, 'Action Items' with a table header and a 'Refresh List' button, and 'My Firm's Open Reviews' with a 'My Associated Firm(s)' link. A sidebar on the right contains 'Instructions for Firms', 'View Letters' (17 items), 'Important Information' (1 item), and 'Contact Us' information. The footer includes copyright information for 2018 and a disclaimer.

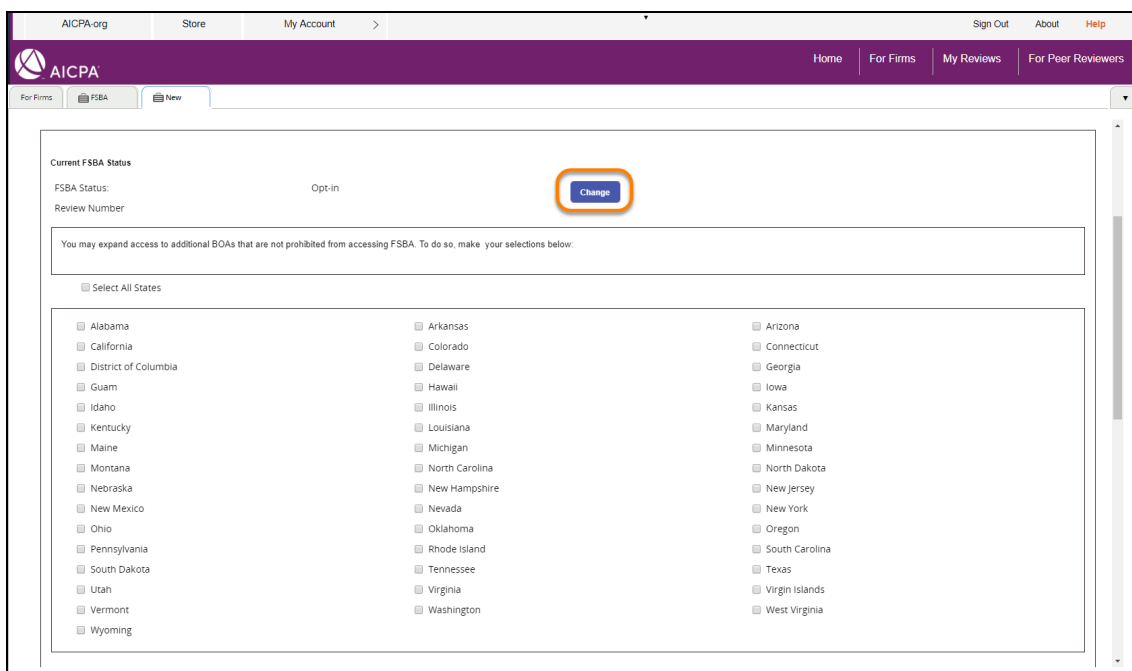

2. Click **Opt-In/Out: FSBA**.

3. Locate the appropriate firm and click **Opt-In / Opt-Out**.

4. To change the opt-in or opt-out status, click **Change**. Select additional states, as needed.

5. Click **Submit**.

If you select opt out, the results of your firm's peer review will not be made available to the state board of accountancy in the state in which your firm's main office is located.

Note: Some state boards of accountancy do not permit firms practicing in their state to opt out of FSBA. Firms in PCPS or the AICPA's Audit Quality Centers cannot opt out of FSBA.
